Step 1: Remove your OrchidHouse™ from the pack. Place the hub ends on the ground.

Step 2: Open the OrchidHouse™ from the top and lay it on the ground.

Step 3: It will open up into a star shape. NOTE: It will not lay flat.

Step 4: Reach to the center of the OrchidHouse™ and grab the strap attached to the hub. Pull firmly on the strap. The top will pop up.

Step 5: Then lift the top of the OrchidHouse™ so you can reach the hub strap of one of the walls. Grab the strap and pull firmly until the wall pops out. As shown in photos "5 & 6"

Step 6: Repeat STEP 4 with 3 remaining sides. Pull firmly on each hub strap until all of the walls are popped out. Shown in "7 & 8".

Step 7: Secure your OrchidHouse™ using the supplied stakes. Insert the stakes into the stake holes of the skirt at 45° angle.

Step 8: For added safety, attach the remaining 4 high-wind tie-downs to the top 4 corners of the OrchidHouse™ and secure them with stakes. Keeping as much tension on the rope as possible, repeat with all hubs.

Step 9: The doorway and vents of the OrchidHouse™ can be secured open for ventilation. To secure them, first unzip them. Roll them up and use the straps to hold them in place. Shown in "11& 12".
